WHY ME

Fifteen years doing security awareness inside big companies before doing it on camera. Media Partner and Panel Moderator at the SANS Security Awareness and Culture Summit 2026. Contributor of the Year and Best Back to Basics, European Cybersecurity Blogger Awards 2025. Host of The Awareness Angle, 100 episodes, listeners in over 100 countries, charted in 33, relaunching Q4 2026 as Click Happens and Right Click.

I don't really do one-off posts. What works is a sponsor the audience sees again and again, over a few months, in content they already trust. Tell me who you're trying to reach and I'll put a proper proposal together.
