WHY ME

Fifteen years doing security awareness inside big companies before doing it on camera. Media Partner at the SANS Security Awareness and Culture Summit 2026 and at CruiseCon 2026, and Panel Moderator at SANS. Winner of Voice of Security at the Security Serious Unsung Heroes Awards 2026. Contributor of the Year and Best Back to Basics, European Cybersecurity Blogger Awards 2025. Host of Click Happens: Human Cyber News, relaunched and refreshed for 2027 and out weekly with guests. The feed has put out 100 episodes, found listeners in over 100 countries, and charted in 33 of them. Right Click: Human Cyber Stories launches Q4 2026.

Companies I have worked with include General Mills, Volvo Cars, McKesson, Jungheinrich, Hapag-Lloyd, VTG, Scottish Power, NN Group, Neste, Prudential, LyondellBasell, Staples, Acadia Healthcare, SLB, Givaudan, Tesco and Ocado. I have presented to audiences in Finland, Sweden, Germany, France, India, the UK and the USA.

I don't really do one-off posts. What works is a sponsor the audience sees again and again, over a few months, in content they already trust. Tell me who you're trying to reach and I'll put a proper proposal together. Want me at your event? Get in touch to book me to speak.
